

NORWALK RIVER WATERSHED ASSOCIATION

Invitation to Membership & Annual Renewal

Thank you for supporting the Norwalk River Watershed Association (NRWA). Your membership dollars help protect the flora, fauna and water quality of this fragile watershed region and enable NRWA to promote appreciation and enjoyment of the area's natural beauty. Whether your contribution is big or small, whether you can provide professional expertise or volunteer assistance—we offer opportunities for teaching, leading hikes, writing, researching, speaking, fundraising, planting and cleaning up our riverbanks— you will be a part of an exciting regional effort to improve the Norwalk/Comstock/Silvermine watersheds for the benefit of all area residents, property owners, and businesses. You will also be part of a movement to ensure that our freshwater resources and essential habitats will be restored and protected into the future.

NRWA members are invited to free lectures, programs, and workshops. They receive NRWA's newsletter *In the Mainstream*, which lists upcoming activities and updates on pertinent problems, progress, and projects within the watershed, as well as other educational material and training opportunities. Supporters (\$50 or more) will receive a copy of our new hiking trail map of the watershed. In addition Riparian Society members (\$100 or more) will receive a beautiful, poster-sized, frame-ready copy of the map.

For more information about how to join our efforts, please contact the Norwalk River Watershed Association at 877-NRWA-INFO [877-679-2463] or visit www.norwalkriver.org.
