

Membership & Annual Renewal

Thank you for supporting NRWA. Your membership dollars help protect the flora, fauna and water quality of this fragile watershed region and enable NRWA to promote appreciation and enjoyment of the area’s natural beauty.

Whether your contribution is big or small, whether you can provide professional expertise or volunteer assistance—we offer opportunities for digital and social media outreach, teaching, leading hikes, writing, researching, speaking, fundraising, planting and cleaning up our riverbanks– you will be a part of an exciting regional effort to improve the Norwalk/Comstock/Silvermine watersheds. You will also be part of a movement to ensure that our freshwater resources and essential habitats will be restored and protected into the future.

NRWA members are invited to free lectures, programs, and workshops. They also receive NRWA’s newsletter *In the Mainstream*, which lists upcoming activities and updates on challenges, progress, and projects within the watershed.

For more information about how to join our efforts, please contact the Norwalk River Watershed Association at 877-NRWA-INFO [877-679-2463] or visit www.norwalkriver.org.
